

# Arrow QL Series Cylindrical Lever Locks

The QL series is a robust Grade 1 ANSI/BHMA Certified lockset that is the ideal choice for replacing or upgrading a wide variety of commercial applications where consistent quality and ease of use/installation are required at an economical price.

This series features a variety of functions and multiple finishes to accommodate any application. Freewheeling levers prevent vandalism and reduce maintenance and a 10-Year mechanical warranty provides confidence and peace of mind when choosing the QL Series.

The QL Series uses the Arrow Sierra (SR) trim design and provides an easy through-bolted installation.

For a budget-friendly solution that you can rely on, look no further than the Arrow QL Series.
